

**OUR  
SUCCESS  
STRATEGY**

# Technology Strategy: Our Compelling Software Portfolio

Tarek El-Sadany, Senior Vice President and Chief Technology Officer, Unisys

# Dispelling the ClearPath Forward™ Myths

The Reality of an Open Operating Environment

@UnisysEMEA  
#UnisysNOW

## Myths

- 1 Hardware-centric
- 2 Aging skills
- 3 Doesn't work with new technologies

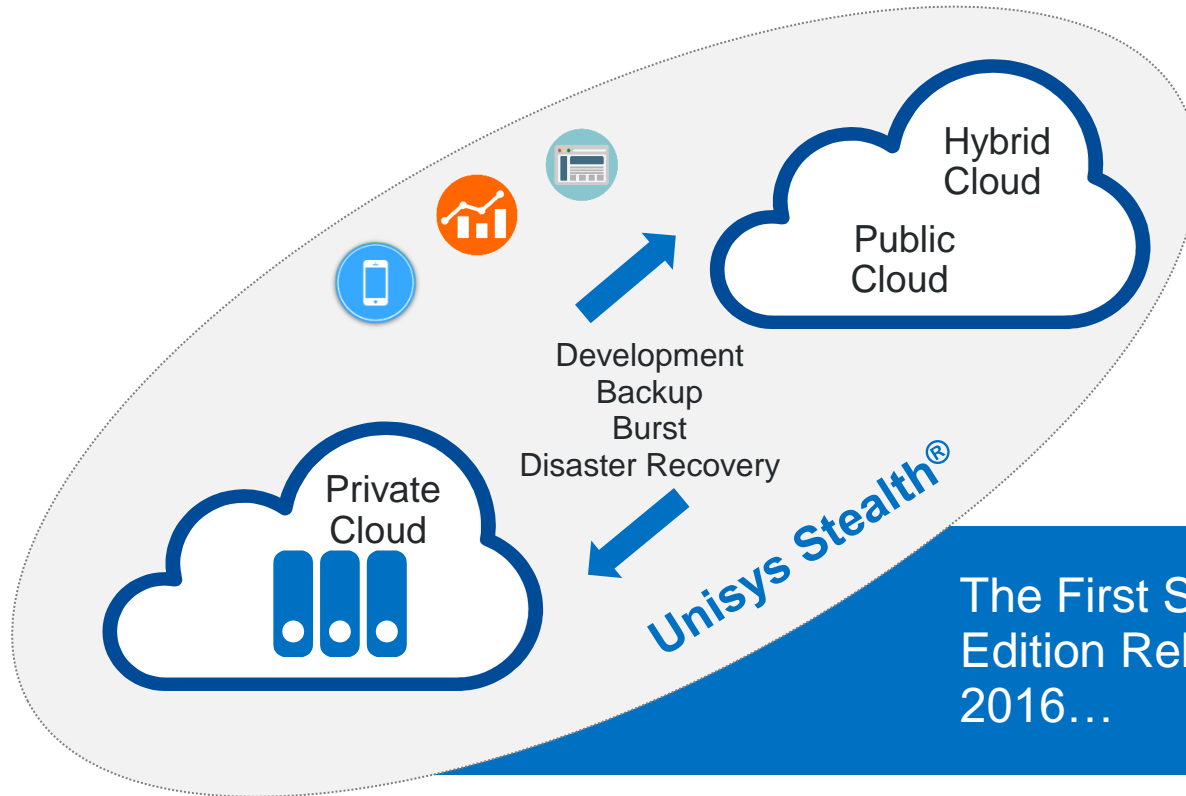

## Today's Truth

- 1 ClearPath Forward is "software"
- 2 Open development environment
- 3 Ease to integrate

Innovative | Open and Industry Leading

# The Future of ClearPath Forward™ 2020 Vision

## Building the Hybrid Cloud ClearPath Forward Environment

# Unisys Stealth® Product Suite

Protects Your Most Critical Environments

@UnisysEMEA  
#UnisysNOW

- **Integrating**  
Stealth(identity)
- **Developing**  
Stealth(analytics) for threat identification
- **Simplifying**  
discovery, configuration and deployment

# Simplifying and Enhancing Security

Stealth(aware)

@UnisysEMEA  
#UnisysNOW

## Capabilities

Auto Discover

Auto Configure

Auto Deploy

## Benefits

- Improves security posture
- Reduces attack surface
- Speeds time-to-security
- Enhances control and agility
- Dramatically improve time-to-protection
- Improved GUI to accelerate client adoption
- Focus on simplification

# Productize Applications for Platform Enablement

## Integrating the Six Product Families

@UnisysEMEA  
#UnisysNOW

### Horizontal Apps

**ClearPath Forward™**  
**Unisys Stealth®**  
**Infolmage®**  
**Unisys VantagePoint™**

### Vertical Apps

**LMS™**  
Logistics Management System  
**AirCore®**  
Airline Passenger Services  
**Digital Investigator™**  
Law Enforcement Application  
Framework  
**LineSight®**  
Land Border Integration

### Operational Priorities

- Implementing product management processes and agile development to improve time to market
- Efficiencies through unified development platforms and methods
- Expand in existing and adjacent markets

# Digital Investigator™
