

About Governance

The Unisys Board of Directors and management team take our corporate governance responsibilities very seriously and are committed to managing the company in the best interests of our stakeholders.

Unisys has a strong corporate governance structure in place. We have publicly disclosed our corporate governance guidelines in our annual proxy statement since 1999. Among other requirements, our corporate governance guidelines require:

- a majority of our Board's directors be independent;
- that membership on our Audit, Nominating & Corporate Governance, and Compensation Committees is limited to independent directors;
- an annual evaluation of the performance of the Board and of the chief executive officer;
- non-management directors to meet at regularly scheduled executive sessions without company management present, with a presiding director overseeing these sessions.

These are just a few of the guidelines by which our company is managed and governed. We invite stockholders to view this section of the Investor Website for a fuller understanding of our corporate governance structure.

ARTICLE III

The purpose or purposes for which the Corporation is organized are:

To engage in the business of designing, manufacturing and marketing of components, products, systems and forms and supplies for the recording, storing, handling, computing, processing and communicating of information and data, and of providing related services; and

To engage in any other lawful act or activity for which a corporation may be organized under the General Corporation Law of Delaware.

ARTICLE IV

Section 1. The total number of shares of all classes of stock which the Corporation shall have authority to issue is 112,000,000 shares, divided into two classes consisting of 72,000,000 shares of Common Stock, par value \$.01 per share (Common Stock), and 40,000,000 shares of Preferred Stock, par value \$1 per share (Preferred Stock). The Board of Directors shall have authority by resolution to issue the shares of Preferred Stock from time to time on such terms as it may determine and to divide the Preferred Stock into one or more series and, in connection with the creation of any such series, to determine and fix by the resolution or resolutions providing for the issuance of shares thereof:

- A. the distinctive designation of such series, the number of shares which shall constitute such series, which number may be increased or decreased (but not below the number of shares then outstanding) from time to time by action of the Board of Directors, and the stated value thereof, if different from the par value thereof;
- B. the dividend rate, the times of payment of dividends on the shares of such series, whether dividends shall be cumulative, and, if so, from what date or dates, and the preference or relation which such dividends will bear to the dividends payable on any shares of stock of any other class or any other series of this class;
- C. the price or prices at which, and the terms and conditions on which, the shares of such series may be redeemed;
- D. whether or not the shares of such series shall be entitled to the benefit of a retirement or sinking fund to be applied to the purchase or redemption of such shares and, if so entitled, the amount of such fund and the terms and provisions relative to the operation thereof;
- E. whether or not the shares of such series shall be convertible into, or exchangeable for, any other shares of stock of the Corporation or any other securities and, if so convertible or exchangeable, the conversion price or prices, or the rates of exchange, and any adjustments thereof, at which such conversion or exchange may be made, and any other terms and conditions of such conversion or exchange;
- F. the rights of the shares of such series in the event of voluntary or involuntary liquidation, dissolution or winding up or upon any distribution of the assets, of the Corporation;
- G. whether or not the shares of such series shall have priority over or parity with or be junior to the shares of any other class or series in any respect, or shall be entitled to the benefit of limitations restricting (i) the creation of indebtedness of the Corporation, (ii) the issuance of shares of any other class or series having priority over or being on a parity with the shares of such series in any respect, or (iii) the payment of dividends on, the making of other distributions in respect of, or the purchase or redemption of shares of any other class or series on parity with or ranking junior to the shares of such series as to dividends or assets, and the terms of any such restrictions, or any other restriction with respect to shares of any other class or series on parity with or ranking junior to the shares of such series in any respect;
- H. whether such series shall have the voting rights, in addition to any voting rights provided by law and, if so, the terms of such voting rights, which may be general or limited; and
- I. any other powers, preferences, privileges, and relative participating, optional, or other special rights of such series, and the qualifications, limitations or restrictions thereof, to the full extent now or hereafter permitted by law.

The powers, preferences and relative participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding. All shares of any one series of Preferred Stock shall be identical in all respects with all other shares of such series, except that shares of any one series issued at different times may differ as to the dates from which dividends thereon shall be cumulative.

Section 2. Each holder of Common Stock shall be entitled to one vote for each share of Common Stock held of record on all matters on which stockholders generally are entitled to vote. Subject to the provisions of law and the rights of the Preferred Stock and any other class or series of stock having a preference as to dividends over the Common Stock then outstanding, dividends may be paid on the Common Stock at such times and in such amounts as the Board of Directors shall determine. Upon the dissolution, liquidation or winding up of the Corporation, after any preferential amounts to be distributed to the holders of the Preferred Stock and any other class or series of stock having a preference over the Common Stock then outstanding have been paid or declared and set apart for payment, the holders of the Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders ratably in proportion to the number of shares held by them, respectively.

Section 3. Junior Preferred Stock:

A. Designation and Amount. The shares of such series shall be designated as "Junior Participating Preferred Stock" (the "Junior Preferred Stock") and the number of shares constituting such series shall be 1,500,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; provided, that no decrease shall reduce the number of shares of Junior Preferred Stock to a number less than the number of shares then outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Corporation.

B. Dividends and Distributions.

(i) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Junior Preferred Stock with respect to dividends, the holders of shares of Junior Preferred Stock, in preference to the holders of Common Stock and of any other junior stock, shall be entitled to

receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of March, June, September and December in each year (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Junior Preferred Stock, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$15 or (b) subject to the provision for adjustment hereinafter set forth, 300 times the aggregate per share amount of all cash dividends, and 300 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions, other than a dividend payable in shares of Common Stock, or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Preferred Stock. In the event the Corporation shall at any time declare or pay any dividend on Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Junior Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(ii) The Corporation shall declare a dividend or distribution on the Junior Preferred Stock as provided in Paragraph (i) of this Subsection immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$15 per share on the Junior Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(iii) Dividends shall begin to accrue and be cumulative on outstanding shares of Junior Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Junior Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Junior Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Junior Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Junior Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

C. Voting Rights. The holders of shares of Junior Preferred Stock shall have the following voting rights:

(i) Subject to the provision for adjustment hereinafter set forth, each share of Junior Preferred Stock shall entitle the holder thereof to 300 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time declare or pay any dividend on Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Junior Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(ii) Except as otherwise provided herein or by law, the holders of shares of Junior Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(iii) The Certificate of Incorporation of the Corporation shall not be amended in any manner which would materially alter or change the powers, preferences or special rights of the Junior Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least two-thirds of the outstanding shares of Junior Preferred Stock, voting together as a single series.

(iv) Except as set forth herein, holders of Junior Preferred Stock shall have no voting rights.

D. Certain Restrictions.

(i) Whenever quarterly dividends or other dividends or distributions payable on the Junior Preferred Stock as provided in Subsection B are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Junior Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

- a) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Junior Preferred Stock;
- b) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Junior Preferred Stock, except dividends paid ratably on the Junior Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled; or
- c) purchase or otherwise acquire for consideration any shares of Junior Preferred Stock, or any shares of stock ranking on a parity with the Junior Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(ii) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under Paragraph (i) of this Subsection (D) purchase or otherwise acquire such shares at such time and in such manner.

E. Recquired Shares. Any shares of Junior Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock, subject to the conditions and restrictions on issuance set forth herein.

F. Liquidation, Dissolution or Winding Up. Upon any liquidation, dissolution or winding up of the Corporation, no distribution shall be made (1) to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution, or winding up) to the Junior Preferred Stock unless, prior thereto, the holders of shares of Junior Preferred Stock shall have received \$100 per share, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment, provided that the holders of shares of Junior Preferred Stock shall be entitled to receive an aggregate amount per share, subject to the provision for adjustment hereinafter set forth, equal to 300 times the aggregate amount to be distributed per share to holders of Common Stock, or (2) to the holders of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Junior Preferred Stock, except distributions made ratably on the Junior Preferred Stock and all other such parity stock in proportion to the total amounts to which the holders of all such shares are entitled upon such liquidation, dissolution or winding up. In the event the Corporation shall at any time declare or pay any dividend on Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the aggregate amount to which holders of shares of Junior Preferred Stock were entitled immediately prior to such event under the proviso in clause (1) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

G. Consolidation, Merger, etc. In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case the shares of Junior Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 300 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time declare or pay any dividend on Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Junior Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock

outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

H. No Redemption. The shares of Junior Preferred Stock shall not be redeemable.

I. Rank. Nothing herein shall preclude the Board of Directors from creating or authorizing any class or series of Preferred Stock ranking on a parity with or prior to the Junior Preferred Stock as to the payment of dividends or the distribution of assets.

ARTICLE V

Section 1. Vote Required for Certain Business Combinations.

A. Higher Vote for Certain Business Combinations. In addition to any affirmative vote required by law or this Restated Certificate of Incorporation, and except as otherwise expressly provided in Section 2 of this Article V:

(i) any merger or consolidation of the Corporation or any Subsidiary (as hereinafter defined) with (a) any Interested Stockholder (as hereinafter defined) or (b) any other corporation (whether or not itself an Interested Stockholder) which is, or after such merger or consolidation would be, an Affiliate (as hereinafter defined) of an Interested Stockholder; or

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to or with any Interested Stockholder or any Affiliate of any Interested Stockholder of any assets of the Corporation or any Subsidiary having an aggregate Fair Market Value of \$50,000,000 or more; or

(iii) the issuance or transfer by the Corporation or any Subsidiary (in one transaction or a series of transactions) of any securities of the Corporation or any Subsidiary to any Interested Stockholder or any Affiliate of any Interested Stockholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate Fair Market Value of \$50,000,000 or more; or

(iv) the adoption of any plan or proposal for the liquidation or dissolution of the Corporation proposed by or on behalf of an Interested Stockholder or any Affiliate of any Interested Stockholder; or

(v) any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries or any other transaction (whether or not with or into or otherwise involving an Interested Stockholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class or equity or convertible securities of the Corporation or any Subsidiary which is directly or indirectly owned by any Interested Stockholder or any Affiliate of any Interested Stockholder; shall require the affirmative vote of the holders of at least 80% of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (the "Voting Stock"), voting together as a single class (it being understood that for purposes of this Article V, each share of the Voting Stock shall have the number of votes granted to it pursuant to Article IV of this Restated Certificate of Incorporation). Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage may be specified, by law or in any agreement with any national securities exchange or otherwise.

B. Definition of "Business Combination". The term "Business Combination" as used in this Article V shall mean any transaction which is referred to in any one or more of clauses (i) through (v) of Paragraph A of this Section 1.

Section 2. When Higher Vote is Not Required. The provisions of Section 1 of this Article V shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote as is required by law and any other provisions of this Restated Certificate of Incorporation, if all of the conditions specified in either the following Paragraphs A and B are met:

A. Approval by Disinterested Directors. The Business Combination shall have been approved by a majority of the Disinterested Directors (as hereinafter defined).

B. Price and Procedure Requirements. All of the following conditions shall have been met:

(i) The aggregate amount of the cash and the Fair Market Value (as hereinafter defined) as of the date of the consummation of the Business Combination of consideration other than cash to be received per share by holders of Common Stock in such Business Combination shall be at least equal to the higher of the following:

(a) (if applicable) the highest per share price (including any brokerage commission, transfer taxes and soliciting dealers' fees) paid by the Interested Stockholder for any shares of Common Stock (or for any shares of common stock of Burroughs Corporation, a Michigan corporation, the predecessor to the Corporation) acquired by it (1) within the two-year period immediately prior to the first public

announcement of the proposal of the Business Combination (the "Announcement Date") or (2) in the transaction in which it became an Interested Stockholder, whichever is higher; and

(b) the Fair Market Value per share of Common Stock (or for any shares of common stock of Burroughs Corporation, a Michigan corporation, the predecessor of the Corporation) on the Announcement Date or on the date on which the Interested Stockholder became an Interested Stockholder (such latter date is referred to in this Article V as the "Determination Date"), whichever is higher.

(ii) The aggregate amount of the cash and the Fair Market Value as of the date of the consummation of the Business Combination of consideration other than cash to be received per share by holders of shares of any other class of outstanding Voting Stock shall be at least equal to the highest of the following (it being intended that the requirements of this paragraph B(ii) shall be required to be met with respect to every class of outstanding Voting Stock, whether or not the Interested Stockholder has previously acquired any shares of a particular class of Voting Stock):

(a) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Stockholder for any shares of such class of Voting Stock acquired by it (1) within the two-year period immediately prior to the Announcement Date or (2) in the transaction in which it became an Interested Stockholder, whichever is higher;

(b) (if applicable) the highest preferential amount per share to which the holders of shares of such class of Voting Stock are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation; and

(c) the Fair Market Value per share of such class of Voting Stock on the Announcement Date or on the Determination Date, whichever is higher.

(iii) The consideration to be received by holders of a particular class of outstanding Voting Stock (including Common Stock) shall be in cash or in the same form as the Interested Stockholder has previously paid for shares of such class of Voting Stock. If the Interested Stockholder has paid for shares of any class of Voting Stock with varying forms of consideration, the form of consideration for such class of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class of Voting Stock previously acquired by it.

(iv) After such Interested Stockholder has become an Interested Stockholder and prior to the consummation of such Business Combination: (a) except as approved by a majority of the Disinterested Directors, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on the outstanding Preferred Stock; (b) there shall have been (1) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), except as approved by a majority of the Disinterested Directors, and (2) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, unless the failure so to increase such annual rate is approved by a majority of the Disinterested Directors; and (c) such Interested Stockholder shall have not become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Stockholder becoming an Interested Stockholder.

(v) After such Interested Stockholder has become an Interested Stockholder, such Interested Stockholder shall not have received the benefit, directly or indirectly (except proportionately as a stockholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation, whether in anticipation of or in connection with such Business Combination or otherwise.

(vi) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to public stockholders of the Corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

Section 3. Certain Definitions. For the purpose of this Article V:

(iii) which are beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of Voting Stock.

D. For the purpose of determining whether a person is an Interested Stockholder pursuant to Paragraph B of this Section 3, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of Paragraph C of this Section 3, but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

G. "Disinterested Director" means any member of the Board of Directors of the Corporation (the "Board") who is unaffiliated with the Interested Stockholder and was a member of the Board prior to the time that the Interested Stockholder became an Interested Stockholder, and any successor of a Disinterested Director who is not an affiliate of the Interested Stockholder and is recommended to succeed a Disinterested Director by a majority of Disinterested Directors then on the Board.

H. A majority of the directors of the Corporation shall have the power and duty to determine for the purposes of this Article V, on the basis of information known to them after reasonable inquiry, (A) whether a person is an Interested Stockholder, (B) the number of shares of Voting Stock beneficially owned by any persons, (C) whether a person is an Affiliate or Associate of another and (D) whether the assets which are the subject of any Business Combination have, or the consideration to be received for the issuance or transfer of securities by the Corporation or any Subsidiary in any Business Combination has, an aggregate Fair Market Value of \$50,000,000 or more.

Section 5. No Effect on Fiduciary Obligations of Interested Stockholders. Nothing contained in this Article V shall be construed to relieve any Interested Stockholder from any fiduciary obligation imposed by law.

ARTICLE VI

The business and affairs of the Corporation shall be managed under the direction of the Board of Directors which, subject to any right of the holders of any series of Preferred Stock then outstanding to elect additional directors under specified circumstances, shall consist of not less than 7 nor more than 15 persons. The exact number of directors within the minimum and maximum limitations specified in the preceding sentence shall be fixed from time to time by the Board of Directors pursuant to a resolution adopted by a majority of the entire Board of Directors.

Section 2. Terms. The directors, other than those who may be elected by the holders of any series of Preferred Stock, shall, commencing with the Annual Meeting of Stockholders scheduled to be held in calendar year 2011 (the 2011 Annual Meeting), be elected at each Annual Meeting of Stockholders for a term expiring at the next Annual Meeting of Stockholders following their election and shall remain in office until their successors shall have been elected and qualified or until their earlier death, resignation, retirement, disqualification or removal. The term of office of each director serving on the Board of Directors immediately prior to the election of directors at the 2011 Annual Meeting (other than any directors elected by holders of Preferred Stock) shall expire at the 2011 Annual Meeting, notwithstanding that any such director may have been elected for a term that extended beyond the date of the 2011 Annual Meeting, but such director may remain in office beyond the expiration of such term expiring at the 2011 Annual Meeting until a successor is elected and qualified or until such directors earlier death, resignation, retirement, disqualification or removal.

Section 4. Newly Created Directorships and Vacancies. Any director so chosen (other than a director elected by holders of Preferred Stock) shall hold office for a term expiring at the next Annual Meeting of Stockholders following his or her election and shall remain in office until such director's successor shall have been elected and qualified or until such director's earlier death, resignation, retirement, disqualification or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

Section 5. Removal. Subject to the rights of the holders of any series of Preferred Stock then outstanding, any director, or the entire Board of Directors, may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least 80% of the voting power of all of the shares of the Corporation entitled to vote thereon, voting together as a single class.

ARTICLE VII

Stockholder Action

Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of stockholders of the Corporation and may not be effected by any consent in writing by such stockholders. Except as otherwise required by law and subject to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, special meetings of stockholders of the Corporation may be called only by the Board of Directors pursuant to a resolution approved by a majority of the entire Board of Directors.

ARTICLE VIII

Bylaws Amendment

The Board of Directors shall have power to make, alter, amend and repeal the Bylaws of the Corporation (except so far as the Bylaws of the Corporation adopted by the stockholders shall otherwise provide). Any Bylaws made by the Directors under the powers conferred hereby may be altered, amended or repealed by the Directors or by the stockholders. Notwithstanding the foregoing and anything contained in this Restated Certificate of Incorporation or the Bylaws to the contrary, Sections 2 and 3 of Article I and Sections 1 through 5 of Article II of the Bylaws shall not be altered, amended or repealed and no provision inconsistent therewith shall be adopted without the affirmative vote of

the holders of at least 80% of the voting power of all the shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

ARTICLE IX

Amendments to Certificate of Incorporation

Notwithstanding any other provisions of the Certificate of Incorporation or the Bylaws of the Corporation (and notwithstanding the fact that a lesser percentage may be specified by law, this Certificate of Incorporation or the Bylaws of the Corporation), the affirmative vote of the holders of 80% or more of the voting power of the shares of the then outstanding voting stock of the Corporation, voting together as a single class, shall be required to amend or repeal, or adopt any provisions inconsistent with, Articles V, VI, VII, VIII or this Article IX of this Restated Certificate of Incorporation.

ARTICLE X

Section 1. Elimination of Certain Liability of Directors. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Section 2. Indemnification and Insurance.

(a) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer, of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in Paragraph (b) hereof, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The right to indemnification conferred in this Section shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the Delaware General Corporation Law requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Section or otherwise. The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

(b) Right of Claimant to Bring Suit. If a claim under Paragraph (a) of this Section is not paid in full by the Corporation within thirty days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the Corporation to indemnify the claimant for the amount claimed, but the burden of providing such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of

conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(c) Non-Exclusivity of Rights. The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Section shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

(d) Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law.

ARTICLE I

Stockholders

SECTION 1. Annual Meeting of Stockholders.

The Board of Directors may fix the date, time and place of the annual meeting of stockholders, but if no such date and time is fixed and designated by the Board of Directors, the annual meeting of stockholders shall be held on the last Thursday in April in each year. At the annual meeting, the stockholders then entitled to vote shall elect directors and shall transact such other business as may properly be brought before the meeting.

SECTION 2. Special Meetings of Stockholders.

Subject to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, special meetings of the stockholders for any purpose may be called only by a majority of the entire Board of Directors.

SECTION 3. Stockholder Action.

Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of stockholders of the Corporation and may not be effected by any consent in writing by such stockholders.

SECTION 4. Place of Meeting.

All meetings of the stockholders of the Corporation shall be held at such place as shall be designated by the Board of Directors in the notice of such meeting.

SECTION 5. Notice of Business to be Transacted.

(a) Annual Meetings.

(1) Nominations of persons for election to the Board of Directors of the Corporation shall be made pursuant to Article II, Section 5 of these bylaws. The proposal of business other than director nominations to be transacted by the stockholders may be made at an annual meeting of stockholders (a) pursuant to the Corporation's notice with respect to such meeting, (b) by or at the direction of the Board of Directors, or (c) by any stockholder of the Corporation who was a stockholder of record at the time of giving of the notice provided for in these bylaws, who is entitled to vote at the meeting and who has complied with the notice procedures set forth in this section.

(2) For business other than director nominations to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of paragraph (1) of this section, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such business must be a proper matter for stockholder action under the Delaware General Corporation Law (the "GCL"). To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days prior to the first anniversary of the preceding year's annual meeting of stockholders; provided, however, that in the event that the date of the annual meeting is more than 30 days prior to or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the 90th day prior to such annual meeting or later than the 7th day following the day on which notice of the date of such meeting is first given. Such stockholder's notice shall set forth (a) as to any business that the stockholder proposes to bring before the meeting, a brief description of such business, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made (i) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner and (ii) the class and number of shares of the capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner.

(3) Only such business shall be conducted at an annual meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this section and, with respect to the election of directors, Article II, Section 5. The chairman of the meeting shall determine whether any business proposed to be transacted by the stockholders has been properly brought before the meeting and, if any proposed

business has not been properly brought before the meeting, the chairman shall declare that such proposed business shall not be presented for stockholder action at the meeting.

(b) Special Meetings. Nominations of persons for election to the Board of Directors may be made by stockholders at special meetings of stockholders at which directors are to be selected pursuant to the stockholders' notice requirements of Article II, Section 5 of these bylaws. Stockholders shall not propose business at any special meetings of stockholders.

(c) Proxy Rules. Nothing in this Section 5 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934.

SECTION 6. Quorum, Manner of Acting and Adjournment and Postponement.

(a) Quorum, Adjournment and Postponement. The holders of a majority of the shares entitled to vote, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders except as otherwise provided by the GCL, by the certificate of incorporation or by these bylaws. Whether or not a quorum is present or represented at any meeting of the stockholders, the chairman of the meeting shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting. At any such adjourned meeting at which a quorum is present or represented, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. The stockholders present in person or by proxy at a meeting at which a quorum is present may continue to do business until adjournment, notwithstanding withdrawal of enough stockholders to leave less than a quorum. Any meeting of stockholders, whether special or annual, may be postponed by resolution of the Board of Directors upon public notice given prior to the date of such meeting.

(b) Manner of Acting. In all matters other than the election of directors, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote thereon shall be the act of the stockholders, unless the question is one upon which, by express provision of the applicable statute, the certificate of incorporation or these bylaws, a different vote is required in which case such express provision shall govern and control the decision of the question.

SECTION 7. Required Vote for Directors

(a) Required Vote. Each director to be elected by stockholders shall be elected by the vote of the majority of the votes cast at any meeting for the election of directors at which a quorum is present, provided that if the number of nominees exceeds the number of directors to be elected, directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. For purposes of this bylaw, a majority of votes cast shall mean that the number of shares voted for a director's election exceeds 50% of the number of votes cast with respect to that director's election. Votes cast shall include votes to withhold authority in each case and exclude abstentions with respect to that director's election.

(b) Resignation. If a nominee for director who is an incumbent director does not receive the vote required by Article I, Section 7(a) of these bylaws at any meeting at which he or she has been nominated for election and no successor has been elected at such meeting, the director shall promptly tender his or her resignation to the Board of Directors in accordance with the irrevocable undertaking specified in Article I, Section 8 of these bylaws or any other commitment, undertaking or agreement of such director. The Nominating and Corporate Governance Committee (or such other committee as the Board of Directors may appoint in accordance with Article II, Section 10 of these bylaws) shall make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board of Directors shall act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee's recommendation, and publicly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation and the rationale behind the decision within 90 days from the date of the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board of Directors in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation shall not participate in the recommendation of the Nominating and Corporate Governance Committee or the decision of the Board of Directors with respect to his or her resignation. If such incumbent director's resignation is not accepted by the Board of Directors, such director shall continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If a director's resignation is accepted by the Board of Directors pursuant to this bylaw, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board of Directors, in its sole discretion, may fill any resulting vacancy pursuant to the provisions of Article II, Section 3 of these bylaws or may decrease the size of the Board of Directors pursuant to the provisions of Article II, Section 1 of these bylaws.

SECTION 8. Directors ' Questionnaire, Representation and Agreement.

To be eligible to be a nominee for election or reelection as a director of the Corporation, a person must deliver (in accordance with the time periods prescribed for delivery of notice under Article II, Section 5 of these bylaws) to the Secretary at the principal executive offices of the Corporation a written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request) and a written representation and agreement (in the form provided by the Secretary upon written request), which agreement shall (i) include an irrevocable undertaking to tender his or her resignation in the event that such director does not receive the vote required by Article I, Section 7(a) of these bylaws at any meeting at which he or she has been nominated for election and no successor has been elected at such meeting and (ii) provide that such person (A) will abide by the requirements of Article I, Sections 7(a) and (b) of these bylaws, (B) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question (a Voting Commitment) that has not been disclosed to the Corporation or (2) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Corporation, with such person's fiduciary duties under applicable law, (C) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein, and (D) in such person's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Corporation, and will comply with all applicable publicly disclosed corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines of the Corporation.

SECTION 9. Organization and Conduct of Business.

At every meeting of the stockholders, the Chairman of the Board, if there be one, or in the case of a vacancy in the office or absence of the Chairman of the Board, one of the following persons present in the order stated: the Vice Chairman, if one has been appointed, the Chief Executive Officer, the President, the Vice Presidents in their order of rank or seniority, a chairman designated by the Board of Directors or a chairman chosen by the stockholders entitled to cast a majority of the votes which all stockholders present in person or by proxy are entitled to cast, shall act as chairman, and the Secretary, or, in the absence of the Secretary, an Assistant Secretary, or in the absence of the Secretary and the Assistant Secretaries, a person appointed by the chairman, shall act as secretary. The chairman of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of discussion as may seem to him in order.

SECTION 10. Voting.

(a) General Rule. Unless otherwise provided in the certificate of incorporation, each stockholder shall be entitled to one vote, in person or by proxy, for each share of capital stock having voting power held by such stockholder.

(b) Voting and Other Action by Proxy. At any meeting of the stockholders, every stockholder entitled to vote may vote in person or by proxy authorized by an instrument in writing or by a transmission permitted by law filed in accordance with the procedure established for the meeting. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission created pursuant to this paragraph may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

All voting, except where otherwise required by law, these bylaws or the certificate of incorporation, may be by a voice vote. Any vote not taken by voice shall be taken by ballots, each of which shall state the name of the stockholder or proxy voting and such other information as may be required under the procedure established for the meeting.

SECTION 11. Voting Lists.

The Corporation shall prepare and make, at least ten days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting. The list shall be arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. This list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

SECTION 12. Inspectors of Election.

(a) Appointment. All elections of directors shall be by written ballot. In advance of any meeting of stockholders the Board of Directors shall appoint one or more inspectors to act at the meeting. No person who is a candidate for office shall act as an inspector. In case any person appointed as an inspector fails to appear or fails or refuses to act, the vacancy may be filled by appointment made by the Board of Directors in advance of the convening of the meeting, or at the meeting by the chairman of the meeting.

(b) Duties. Inspectors shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum and the authenticity, validity and effect of proxies and ballots, shall receive votes or ballots, shall hear and determine all challenges and questions in any way arising in connection with the right to vote, shall count and tabulate all votes and ballots, shall determine and certify the result, and shall do such acts as may be proper to conduct the election or vote with fairness to all stockholders. If there be more than one inspector of election, the decision, act or certificate of a majority shall be effective in all respects as the decision, act or certificate of all.

(c) Report. On request of the chairman of the meeting or of any stockholder or his proxy, the inspectors shall make a report in writing of any challenge or question or matter determined by them, and execute a certificate of any fact found by them.

(d) Opening and Closing of Polls. The date and time of the opening and closing of the polls for each matter to be voted upon at the meeting shall be determined by the chairman of the meeting and announced at the meeting. No ballot, proxies or votes, nor any revocations thereof or changes thereto, shall be accepted by the inspectors after the closing of the polls unless the Court of Chancery in Delaware upon application by a stockholder shall determine otherwise.

ARTICLE II

Directors

SECTION 1. Number.

The business and affairs of the Corporation shall be managed under the direction of the Board of Directors which, subject to any right of the holders of any series of Preferred Stock then outstanding to elect additional directors under specified circumstances, shall consist of not less than 7 nor more than 15 persons. The exact number of directors within the minimum and maximum limitations specified in the preceding sentence shall be fixed from time to time by the Board of Directors pursuant to a resolution adopted by a majority of the entire Board of Directors.

SECTION 2. Terms.

The directors, other than those who may be elected by the holders of any series of Preferred Stock, shall, commencing with the Annual Meeting of Stockholders scheduled to be held in calendar year 2011 (the 2011 Annual Meeting), be elected at each Annual Meeting of Stockholders for a term expiring at the next Annual Meeting of Stockholders following their election and shall remain in office until their successors shall have been elected and qualified or until their earlier death, resignation, retirement, disqualification or removal. The term of office of each director serving on the Board of Directors immediately prior to the election of directors at the 2011 Annual Meeting (other than any directors elected by holders of Preferred Stock) shall expire at the 2011 Annual Meeting, notwithstanding that any such director may have been elected for a term that extended beyond the date of the 2011 Annual Meeting, but such director may remain in office beyond the expiration of such term expiring at the 2011 Annual Meeting until a successor is elected and qualified or until such director's earlier death, resignation, retirement, disqualification or removal.

SECTION 3. Newly Created Directorships and Vacancies.

Subject to the rights of the holders of any series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause shall be filled by a majority vote of the directors then in office, even if less than a quorum. Any director so chosen (other than a director elected by holders of Preferred Stock) shall hold office for a term expiring at the next Annual Meeting of Stockholders following his or her election and shall remain in office until such director's successor shall have been elected and qualified or until such director's earlier death, resignation, retirement, disqualification or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

SECTION 4. Removal.

Subject to the rights of the holders of any series of Preferred Stock then outstanding, any director, or the entire Board of Directors, may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at

least 80% of the voting power of all of the shares of the Corporation entitled to vote thereon, voting together as a single class.

SECTION 5. Nomination of Director Candidates.

(a) Nominations of candidates for election as directors of the Corporation at any meeting of stockholders called for election of directors (an "Election Meeting") may be made by the Board of Directors or by any stockholder entitled to vote at such Election Meeting.

(b) Nominations made by the Board of Directors shall be made at a meeting of the Board of Directors, or by written consent of directors in lieu of a meeting, not less than 30 days prior to the date of the Election Meeting, and such nomination shall be reflected in the minute books of the Corporation as of the date made. At the request of the Secretary of the Corporation each proposed nominee shall provide the Corporation with such information concerning himself as is required, under the rules of the Securities and Exchange Commission, to be included in the Corporation's proxy statement soliciting proxies for his election as a director.

(c) Not less than 90 days prior to the date of the Election Meeting in the case of an annual meeting, and not more than 7 days following the date of notice of the meeting in the case of a special meeting, any stockholder who intends to make a nomination at the Election Meeting shall deliver a notice to the Secretary of the Corporation setting forth (i) the name, age, business address and residence address of each nominee proposed in such notice, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of capital stock of the Corporation which are beneficially owned by each such nominee, (iv) a statement that the nominee is willing to be nominated and (v) such other information concerning each such nominee as would be required, under the rules of the Securities and Exchange Commission, in a proxy statement soliciting proxies for the election of such nominees.

(d) In the event that a person is validly designated as a nominee in accordance with paragraph (b) or paragraph (c) hereof and shall thereafter become unable or unwilling to stand for election to the Board of Directors, the Board of Directors or the stockholder who proposed such nominee, as the case may be, may designate a substitute nominee.

(e) If the Chairman of the Election Meeting determines that a nomination was not made in accordance with the foregoing procedures, such nominations shall be void.

No person shall be elected a director of the Corporation after having attained the age of seventy-two years; provided that, upon the request of the Nominating and Corporate Governance Committee and with the approval of at least two-thirds of the directors then in office (excluding such director) a director may stand for reelection at up to two annual stockholders meetings after having reached such age. Notwithstanding the foregoing, in no event shall a person stand for election as a director of the Corporation after having attained the age of seventy-four years.

SECTION 6. Organization.

At every meeting of the Board of Directors, the Chairman of the Board or, in the case of a vacancy in the office or absence of the Chairman of the Board, a chairman chosen by a majority of the directors present, shall preside, and the Secretary, or, in the absence of the Secretary, an Assistant Secretary, or in the absence of the Secretary and the Assistant Secretaries, any person appointed by the chairman of the meeting, shall act as secretary.

SECTION 7. Regular Meetings.

Regular meetings of the Board of Directors shall be held at such place or places, on such date or dates, and at such time or times as shall have been established by the Board of Directors and publicized among all directors. A notice of each regular meeting shall not be required.

SECTION 8. Special Meetings.

Special meetings of the Board of Directors shall be held whenever called by the Chairman of the Board or by three or more of the directors and shall be held at such place, on such date and at such time as they or he shall fix.

SECTION 9. Quorum, Manner of Acting and Adjournment.

(a) General Rule. One-half of the total number of directors shall constitute a quorum for the transaction of business at all meetings of the Board of Directors. The vote of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors, except (1) as may be otherwise specifically provided by the GCL or by the certificate of incorporation; and (2) for any amendment to these bylaws, which shall require the vote of not less than a majority of the directors then in office. If a quorum is not present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without further waiver or notice other than announcement at the meeting, until a quorum is present.

(b) Unanimous Written Consent. Unless otherwise restricted by the certificate of incorporation, any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if all members of the

Board consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors.

(c) Conference Telephone Meetings. One or more directors of the Board of Directors may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in this manner constitutes presence in person at the meeting.

SECTION 10. Committees of the Board of Directors.

(a) Establishment and Powers. The Board of Directors may, by resolution adopted by a majority of the whole Board, establish one or more committees, each committee to consist of one or more directors. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee and the alternate or alternates, if any, designated for such member, the member or members of the committee present at any meeting and not disqualified from voting, whether or not they constitute a quorum, may unanimously appoint another director to act at the meeting in the place of any such absent or disqualified member. Subject to the provisions of the GCL, committees established by the Board of Directors shall have such power and authority as provided by resolution of the board. Each committee so formed shall have such name as may be determined from time to time by resolution adopted by the Board of Directors and shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

(b) Committee Procedures and Conduct of Business. Each committee of the Board of Directors may determine the procedural rules for meeting and conducting its business and shall act in accordance therewith, except as otherwise provided herein or required by law. Adequate provision shall be made for notice to members of all meetings of committees. A majority of the members of any committee shall constitute a quorum unless the committee shall consist of one (1) or two (2) members, in which event one (1) member and two (2) members, respectively, shall constitute a quorum; and all matters shall be determined by a majority vote of the members present. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of such committee.

SECTION 11. Compensation of Directors.

Unless otherwise restricted by the certificate of incorporation, the Board of Directors shall have the authority to fix the fees and other compensation of directors.

SECTION 12. Chairman of the Board

The Board of Directors shall elect the Chairman of the Board from among the members of the board. The Chairman of the Board shall preside at all meetings of the stockholders and of the Board of Directors and shall perform such other duties as may from time to time be assigned to him or her by the Board of Directors.

ARTICLE III

Notice - Waivers - Meetings

SECTION 1. Notice, What Constitutes.

If the notice is sent by mail, telegraph or courier service, it shall be deemed to be given when deposited in the United States mail or with a telegraph office or courier service for delivery to that person or, in the case of telex or TWX, when dispatched, or in the case of facsimile transmission, when electronically received.

SECTION 2. Notice of Meetings of Board of Directors.

Notice of a regular meeting of the Board of Directors need not be given. Notice of every special meeting of the Board of Directors shall be given to each director by telephone or in writing at least 24 hours (in the case of notice by telephone, telex, TWX or facsimile transmission) or 48 hours (in the case of notice by telegraph, courier service or express mail) or five days (in the case of notice by first class mail) before the time at which the meeting is to be held. Every such notice shall state the time and place of the meeting. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

SECTION 3. Notice of Meetings of Stockholders.

Written notice of the place, date and hour of every meeting of the stockholders, whether annual or special, shall be given to each stockholder of record entitled to vote at the meeting not less than ten nor more than 60 days before the date of the meeting and shall state the purpose or purposes thereof. If the notice is sent by mail, it shall be deemed to have been given when deposited in the United States mail, postage prepaid, directed to the stockholder at the address of the stockholder as it appears on the records of the Corporation.

SECTION 4. Waivers of Notice.

(a) Written Waiver. Whenever notice is required to be given under any provisions of the GCL or the certificate of incorporation or these bylaws, a written waiver, signed by the person or persons entitled to the notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, directors, or members of a committee of directors need be specified in any written waiver of notice of such meeting.

(b) Waiver by Attendance. Attendance of a person at a meeting, either in person or by proxy, shall constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting was not lawfully called or convened.

SECTION 12. Compensation.

SECTION 1. Form and Issuance.

(a) Issuance and Form. The shares of the capital stock of the Corporation shall be represented by certificates in such form as shall be approved by the Board of Directors or shall be uncertificated shares. To the extent that shares are represented by certificates, such certificates shall be signed by the Chairman or the Chief Executive Officer or the President or any Vice President and by the Treasurer or the Secretary.

(b) Records and Regulations. The stock record books shall be kept by the Secretary or by any registrar, stock transfer agent or other agency designated by the Board of Directors for that purpose. The shares of the capital stock of the Corporation shall be registered in the stock ledger and transfer books of the Corporation as they are issued. Except as may otherwise be required by the Corporation's certificate of incorporation or the GCL, the Board of Directors may make such other rules and regulations concerning the issue, transfer and registration of certificated or uncertificated shares of the capital stock of the Corporation as it deems necessary or appropriate from time to time.

(c) Signatures. Any of or all the signatures upon the stock certificates of the Corporation may be a facsimile. In case any officer, transfer agent or registrar who has signed, or whose facsimile signature has been placed upon, any share certificate shall have ceased to be such officer, transfer agent or registrar, before the certificate is issued, it may be issued with the same effect as if the signatory were such officer, transfer agent or registrar at the date of its issue.

SECTION 2. Transfer of Stock.

Transfers of stock shall be made only upon the transfer books of the Corporation kept at an office of the Corporation or by transfer agents designated to transfer shares of the stock of the Corporation. In the case of shares represented by a certificate, an outstanding certificate for the number of shares involved shall be surrendered for cancellation, properly endorsed, before a new certificate is issued therefor, except where a certificate is issued in accordance with Section 3 of this Article.

SECTION 3. Lost, Stolen, Destroyed or Mutilated Certificates.

The Corporation may direct a new certificate of stock to be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or the legal representative of the owner, to give the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate.

SECTION 4. Record Holder of Shares.

The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the GCL.

SECTION 5. Determination of Stockholders of Record.

(a) Meetings of Stockholders. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. Unisys Board Guidelines on Significant Corporate Governance Issues

(As Amended Through May 10, 2019)

1) Board Composition and Selection

Size. The Company's Bylaws provide for the Board to have no fewer than seven and no more than 15 members. It is the sense of the Board that a size of 10 to 12 members is about right. However, the Board would be willing to increase the size in order to accommodate the availability of an outstanding candidate.

Independence. The Board shall have a majority of directors who qualify as independent under the listing standards of the New York Stock Exchange. The Nominating and Corporate Governance Committee shall review annually with the Board the relationships that each director has with the Company (either directly or as a partner, stockholder, employee or officer of an organization that has a relationship with the Company). Following such annual review, only those directors who the Board affirmatively determines have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and who meet the additional qualifications prescribed under the listing standards of the New York Stock Exchange will be considered independent.

The Board has established the following guidelines to assist it in determining whether a director has a material relationship with the Company:

The following commercial or charitable relationships will not be considered to be material relationships that would impair a director's independence (a) if the director is an executive officer or partner of, or owns more than ten percent of the equity in, another company that does business with the Company and the annual sales to, or purchases from, the Company are less than one percent of the annual revenues of that other company and (b) if the director serves as an officer, director or trustee of a charitable organization, and the Company's discretionary charitable contributions to the organization are less than one percent of that organization's total annual charitable receipts.

The Board is willing to have members of management, in addition to the Chief Executive Officer, as directors. However, the Board believes that management should encourage senior managers to understand that Board membership is not necessary or a prerequisite to any higher management position in the Company. Managers other than the Chief Executive Officer currently attend Board meetings on a regular basis even though they are not members of the Board.

Selection of New Director Candidates. The Board itself should be responsible, in fact as well as procedure, for selecting its own members. The Board delegates the screening process involved to the Chairman of the Nominating and Corporate Governance Committee with input from the Chairman of the Board as well as the Chief Executive Officer (if the Chairman is not the Chief Executive Officer). The Nominating and Corporate Governance Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the current make-up of the Board. This determination should take into account all factors the Nominating and Corporate Governance Committee considers appropriate, such as independence, experience, expertise, strength of character, mature judgment, leadership ability, technical skills, diversity, age and the extent to which the individual would fill a present need on the Board. An invitation to join the Board should be extended by the Chairman of the Nominating and Corporate Governance Committee, the Chairman of the Board and the Chief Executive Officer of the Company.

Selection of Chairman and CEO. The Board will be free to make this choice any way that seems best to assure the success of the Company so as to provide appropriate leadership at a given point in time. Therefore, the Board does not have a policy, one way or the other, on whether or not the role of the Chief Executive and Chairman should be separate and, if it is to be separate, whether the Chairman should be selected from the non-employee directors or be an employee. If the Chairman is not an employee of the Company, the Chairman should qualify as independent under the listing standards of the New York Stock Exchange.

Term Limits. Directors are elected on an annual basis, as such, the Board does not believe it should establish term limits. While term limits could help insure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company and its operations and, therefore, provide an increasing contribution to the Board as a whole. As an alternative to term limits, the Nominating and Corporate Governance Committee, in consultation with the Chief Executive Officer and the Chairman of the Board, will review each director's continuation on the Board as a regular part of the annual nominating process.

Retirement Age. In accordance with the Company's bylaws, no one attainment of age 72 and no person shall be elected a director after having attained the age of 72 years unless requested by the Nominating and Corporate

Governance Committee with the approval of 2/3 of the directors then in office (excluding such director). Notwithstanding the foregoing, in no event shall a person stand for election as a director after having attained the age of 74 years.

Former Chief Executive Officer's Board Membership. It is expected that when the Chief Executive Officer resigns from that position, he/she will offer his/her resignation from the Board at the same time.

Directors Who Change Their Present Job Responsibility. It is the sense of the Board that individual directors who change their primary job responsibility should volunteer to resign from the Board. It is not the sense of the Board that the directors who retire or change job responsibilities should necessarily leave the Board. However, the Nominating and Corporate Governance Committee should review the continued appropriateness of Board membership under these circumstances. Based on this review, the Nominating and Corporate Governance Committee will recommend, and the Board will determine, whether or not to accept the director's resignation.

Service on Other Boards. Directors are expected to ensure that other existing and planned future commitments do not materially interfere with the director's service as a Board member. Non-management directors are encouraged to limit the number of public company boards on which they serve to no more than four in addition to the Company's and should advise the Chairman of the Board and the General Counsel of the Company before accepting an invitation to serve on another board.

2) Board Meetings

Frequency of Meetings. The Board should have at least six regularly scheduled meetings per year. In addition, special meetings may be called from time to time as determined by the needs of the business. Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

Selection of Agenda Items for Board Meetings. The Chairman of the Board and the Chief Executive Officer (if the Chairman is not the Chief Executive Officer) will establish the agenda for each Board meeting. Each Board member is free to suggest the inclusion of items on the agenda. Each Board member is free to raise at any Board meeting subjects that are not on the agenda for that meeting. The Board will review the Company's long-term strategic plans during at least one Board meeting each year.

Board Material Distributed in Advance. Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should generally be distributed in writing to the directors before the meeting, and directors should review these materials in advance of the meeting. Management should ensure that the materials being distributed are as concise as possible while giving directors sufficient information to make informed decisions.

Executive Sessions of Outside Directors; Lead Director. The non-management directors shall meet in executive session at all regularly scheduled Board meetings and will have the opportunity to meet in executive session at any time upon request. If the Chairman of the Board is an employee of the Company, the Board shall elect from the independent directors a lead director who shall preside at such executive sessions. If the Chairman is not an employee of the Company, the Chairman shall preside at such executive sessions. If the non-management directors include any directors who are not independent under the listing standards of the New York Stock Exchange, the Company shall, at least once a year, schedule an executive session including only independent directors. In addition, annually, the non-management directors will meet in executive session to review the performance of the Chief Executive Officer. The chairman of the Compensation Committee shall lead this review.

If the Board or any committee meets in a session of non-management directors only, the lead director or chairman of the committee is required to meet with the Chief Executive Officer to relate the matters discussed.

3) Committees

Number and Type of Committees. The current three Unisys Board committees are Audit and Finance, Compensation, and Nominating and Corporate Governance. There will, from time to time, be occasions in which the Board may want to form a new committee or disband a current committee depending upon the circumstances. In addition, the Chairman may appoint ad hoc special purpose committees as and when the need arises.

Assignment and Rotation of Committee Members. Membership on the Audit and Finance, Compensation, and Nominating and Corporate Governance Committees will be limited to directors who meet the independence criteria of the New York Stock Exchange and any applicable independence criteria for members of those committees prescribed by the Securities and Exchange Commission.

The Chairman of the Board and the Chief Executive Officer (if the Chairman is not the Chief Executive Officer), with consideration of the desires of individual Board members, will be responsible for recommending Board member

committee assignments to the Nominating and Corporate Governance Committee, which will review and recommend assignments to the Board for approval.

It is the sense of the Board that consideration should be given to changing committee members as well as committee chairs periodically, but the Board does not feel that such a change should be mandated as a policy since there may be reasons at a given point in time to maintain an individual director's committee membership.

Frequency and Length of Committee Meetings and Agendas. Each committee chairman, in consultation with committee members, will determine the frequency and length of the meetings of the committee. The chairman of the committee, in consultation with the appropriate members of Unisys management and staff, will approve the committee's agenda.

4) Access to Senior Management and Independent Advisors

Regular Attendance of Non-Directors at Board Meetings. The Board is comfortable with the regular attendance at each Board meeting of non-Board members who are members of senior management. Should the Chief Executive Officer want to add additional people as attendees on a regular basis, it is expected that this suggestion would be made to the Board for its concurrence.

Board Access to Senior Management. Board members have complete access to Unisys management. It is assumed that Board members will use judgment to be sure that this contact is not distracting to the business operations of the Company and that such contact, if in writing, be copied to the Chief Executive Officer and the Chairman. Furthermore, the Board encourages senior management to, from time to time, bring other managers into Board Meetings who: (a) can provide additional insights into the items being discussed because of personal involvement in these areas, or (b) represent managers with future potential that the senior management believes should be given exposure to the Board.

Board Access to Independent Advisors. The Board and its committees shall have the right at any time to retain independent outside financial, legal or other advisors.

5) Board Compensation and Stock Ownership Requirements

It is appropriate for the staff of the Company to report once a year to the Compensation Committee on the status of Unisys Board compensation in relation to other large U.S. companies. Changes in Board compensation, if any, should come at the suggestion of the Compensation Committee, but with full discussion and concurrence by the Board. Particular attention will be paid to structuring Board compensation in a manner aligned with shareholder interests. In this regard, the Board believes that a meaningful portion of a director's compensation should be provided and held in stock options and/or stock units. Members of management shall not receive additional compensation for their service as directors.

The Board believes that, only in rare circumstances approved by the Board, should directors draw, directly or indirectly, consulting, legal or other fees from the Company. In no event shall any member of the Audit Committee receive any compensation from the Company other than directors' fees.

Each non-management member of the Board is required to own stock, stock units or other equity equivalents of the Company in accordance with the Company's stock ownership guidelines for directors.

6) Board Orientation and Continuing Education

The Company shall provide a director orientation program for new directors to familiarize them with, among other things, the Company's business, strategic plans, significant financial, accounting and risk management issues, its compliance programs, its code of ethics and business conduct, its principal officers, and its internal and independent auditors. The Company will provide directors with presentations from time to time on topics designed by the Company or third-party experts to assist directors in carrying out their responsibilities. Directors may also attend appropriate continuing education programs. The Company will bear all reasonable expenses in connection with attending accredited third-party continuing education programs.

7) Assessing the Board's Performance

The Board will conduct an annual self-evaluation to determine whether it and its committees are functioning effectively. The Nominating and Corporate Governance Committee, acting through its chairman, will facilitate this self-evaluation. In addition, each committee will conduct an annual self-evaluation of its performance and will make a report annually to the Board. In connection with these assessments, the Board and each committee should specifically review areas in which the Board, committee members or the management believes improvements could be made to increase the effectiveness of the Board and its committees.

8) Evaluation of the Chief Executive Officer and Succession Planning

All non-management directors will participate in the annual evaluation of the Chief Executive Officer, led by the Compensation Committee. The evaluation should be communicated in writing to the Chief Executive Officer by the chairman of the Compensation Committee. The evaluation should be based on objective criteria including performance of the business, accomplishment of long-term strategic objectives, development of management, etc. Based on this evaluation, the Compensation Committee will recommend, and the members of the Board who meet the independence criteria of the New York Stock Exchange will determine and approve, the compensation of the Chief Executive Officer.

The Board shall have overall responsibility to plan for CEO succession. To assist the Board in this, the Chief Executive Officer should present an annual report on succession planning to the Board. There should also be available, on a continuing basis, the Chief Executive Officer's recommendation as to a successor should he/she be unexpectedly unable to perform his/her duties. These succession plans should be reported to and discussed with the Board each year.

9) Confidentiality; Public Statements Regarding Company Matters; Board Interaction with Investors, Customers, and Other Third Parties.

Members of the Board should, at all times, act in accordance with the Company's confidentiality policy for directors. The Board believes that the management speaks for Unisys. It is the sense of the Board that no outside director should respond to media inquiries regarding Unisys, and all such inquiries should be referred to management for appropriate handling. While individual Board members may, from time to time, meet or otherwise communicate with various constituencies that are involved with Unisys, it is expected that Board members would do this with the prior knowledge of management and, in most instances, at the request of management and that all such communications will be strictly in accordance with the confidentiality policy for directors.

10) Stockholder Rights Plan.

The Company's stockholder rights plan expired on March 17, 2006, and it has no present intention to adopt a new one. Subject to its continuing fiduciary duties, which may dictate otherwise depending on the circumstances, the Board shall submit the adoption of any future rights plan to a vote of the stockholders. Any stockholder rights plan adopted or extended without stockholder approval shall be approved by a majority of the independent members of the Board and shall be in response to specific, articulable circumstances that are deemed to warrant such action without the delay that might result from seeking prior stockholder approval. If the Board adopts or extends a rights plan without prior stockholder approval, the Board shall, within one year, either submit the plan to a vote of the stockholders or redeem the plan or cause it to expire.
