**Principle Period of Maintenance (PPM):** PPM maintenance provides a guaranteed 2 hour telephone response during 8:00AM and 6:00PM, Pacific Standard, Monday through Friday, except for scheduled holidays.

**Extended Maintenance Coverage (EMC):** EMC is available for a 24 hour period for either 5 days (M-F) or 7 days a week. EMC provides the same level of service provided by PPM at an additional charge. Contact account representative for pricing.

**Time and Material (T&M):** Maintenance coverage is available to customers who either do not have maintenance coverage outside the PPM or have no maintenance coverage, on an as-available-basis. Please contact your account representative for additional hourly rate charges (3 hour minimum for each call). Clients requesting T&M maintenance who have no Service Agreement will also be charged for each new revision upgrade.
